

Pupil Premium Strategy Statement 2022-23

Year 2 of 3

Reviewed November 2022- Mrs Claire Allen

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data		
School name	Fixby J&I School		
Number of pupils in school	2021-22	2022-23	2023-24
	302	316	
Proportion (%) of pupil premium eligible pupils	2021-22	2022-23	2023-24
	73 pupils 24.2%	91 pupils 28.7%	
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021-2024		
Date this statement was published	10.11.21		
Date on which it will be reviewed	September 2022 September 2023

Governor lead	Shaun Conroy) (Chair of Governors)		

Funding overview

Detail	Amount		
	2021-22	2022-23	2023-24
Pupil premium funding allocation this academic year	£63,663 (7/12s 21/22 allocation) £33,240 (5/12s 22/23 allocation)	£66,480 (2/3 22-23 allocation) £43,165 (1/3 23-24 allocation)	
Recovery premium funding allocation this academic year	£7,830	£8,047	
Pupil premium funding carried forward from previous years	£0	£0	
Total budget for this academic year	£104,733	£117,692	

Part A: Pupil Premium Strategy Plan

Statement of intent

We believe in maximising the use of the Pupil Premium Grant by utilising a long-term strategy aligned to the School Development Plan priorities. This enables us to implement a blend of short and long-term interventions, and align pupil premium use with wider school improvements and improving readiness to learn.

Overcoming barriers to learning is at the heart of our PPG use. We understand that needs and costs will differ depending on the barriers to learning being addressed. As such, we do not automatically allocate personal budgets per pupil in receipt of the PPG. Instead, we identify the barrier to be addressed and the interventions required, whether in small groups, large groups, the whole school or as individuals, and allocate a budget accordingly.

When making decisions about using PPG, it is important to consider the context of the school and the subsequent challenges faced, alongside research conducted by the EEF. Common barriers to learning for disadvantaged children can be: less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no “one size fits all”.

We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed. In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium Grant to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

Principles

To diminish the differences between groups of learners, by:

- ✓ Ensuring effective teaching in all classes
- ✓ Improving communication skills and vocabulary acquisition
- ✓ Providing targeted academic support for pupils not making the expected progress

To provide rich opportunities and experiences, by:

- ✓ raising the aspirations of pupils
- ✓ offering a rich and varied menu of educational experiences

To address non-academic barriers to attainment, by:

- ✓ providing holistic support for families and pupils to remove barriers to learning
- ✓ increasing attendance and punctuality
- ✓ improving behaviour

School Context 2021-22

Fixby J&I School is a larger than average school in the north of Huddersfield. We have a 45 PAN and have three mixed age classes and 8 pure year classes.

The proportion of Pupil Premium pupils in school is above national (24.2% in school compared to 20.8% nationally) 50% of the school (134 pupils) live in the lowest 20% areas of deprivation. Only 28% (38) of these pupils are Pupil Premium.

A significant portion of pupils in school are identified as 'disadvantaged' but do not qualify for the PPG.

Over half of Pupil Premium pupils have had or have safeguarding concerns, with a large proportion of these having had social care intervention.

Almost half of the Pupil Premium pupils struggle with their emotional well-being.

Current Attainment

2018-19		2022-23			2023-24					
	Early Years PP	Early Years Non-PP	Y1 Phonics PP	Y1 Phonics Non-PP

TOTAL PUPILS						7			
% PP PUPILS						8%			

Challenges- Reviewed 2022-23

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge Ref.	Details of challenges
1	Language acquisition and communication: Majority of pupils are EAL and have little experience of spoken English in their home and limited vocabulary. 48% of PP pupils are EAL. There is an increasing number of SLCN and some of which are complex. 38% of pupils with additional needs are PP.
2	SEMH Since COVID, there is high proportion of pupils struggling with their mental health. A fifth of PP pupils have SEMH needs.
3	Teaching & Learning: Assessment data and monitoring shows an attainment gap between PP and non-PP pupils achieving GDS across KS1 and KS2 and in all subjects in KS1 and EYFS
4	Attendance: Attendance data shows that the attendance of our Pupil Premium children is lower than that of Non-Pupil Premium children and there is a higher proportion of PP pupils who are persistent absentees
5	Low aspirations: Limited life and social experiences
6	Lack of engagement: Poor levels of parental engagement with school

Intended outcomes – Reviewed 2022-23

This explains the outcomes we are aiming for **by the end of our current three-year strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Language acquisition and communication: To improve pupils spoken language and understanding of and use of vocabulary in all areas of the curriculum.	<ul style="list-style-type: none"> Pupils speak confidently in lessons, using age-appropriate vocabulary Pupils outcomes in reading improve
SEMH To ensure that all pupils who have SEMH needs have access to support.	<ul style="list-style-type: none"> SEMH interventions are effective in supporting pupils with SEMH needs
Teaching & Learning: The gap between KS2 PP and non-PP pupils attaining GDS narrows The gap between KS1 PP and non-PP pupils attaining ARE's narrows	<ul style="list-style-type: none"> PP pupils attaining GDS in KS2 is in line with non-PP and are in line with national standards in reading and writing The gap between PP and non-PP pupils in KS1 narrows and PP pupils are in line with national standards The gap between PP and non-PP pupils in EYFS narrows and PP pupils are in line with national standards
Attendance: To narrow the gap in attendance for PP pupil so that it becomes broadly in line with the attendance of non-PP pupils.	<ul style="list-style-type: none"> The gap in attendance data for PP and non-PP pupils is reduced PP pupils attendance is broadly in line with national The number of pupils classed as PA's reduces and the gap between PP and non-PP reduces
Low aspirations: To increase opportunities for pupils to access enrichment opportunities within and beyond the school curriculum	<ul style="list-style-type: none"> PP pupils access an equal number of enrichment activities as non-PP pupils The curriculum is broad to provide pupils with varied, real life experiences
Lack of engagement: To improve parental engagement within school	<ul style="list-style-type: none"> Increased number of parents attend school event Parents support pupils with their home learning

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £57,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Quality First Teaching</p> <ul style="list-style-type: none"> • Effective CPD • Coaching • Effective leadership • Writing & maths is on SDP • PP outcomes monitored by English and maths lead 	<p>The best evidence available indicates that great teaching is the most important lever schools have to improve pupil attainment</p> <p>https://educationendowmentfoundation.org.uk/support-for-schools/school-improvement-planning/1-high-quality-teaching?utm_source=/support-for-schools/school-improvement-planning/1-high-quality-teaching&utm_medium=search&utm_campaign=site_search&search_term=high-quality</p>	1,2,3,5,6
<p>High quality Phonics teaching</p> <ul style="list-style-type: none"> • Phonics / early reading Leader in place working alongside English Lead • Purchase & implementation of a new phonic scheme, including- <ul style="list-style-type: none"> ○ CPD for all staff ○ Resources 	<p>Proportions of disadvantaged Y2 pupils achieving the expected standard in retakes is lower than non-disadvantaged.</p> <p>EEF Teaching and Learning Toolkit, identifies phonics as the best tool for teaching reading up to the age of 10</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics</p> <p>There has been a 3 year downward trend in phonics outcomes</p> <p>Group of children in Lower KS2 are not working at the expected standard in Phonics</p>	1, 3
<p>To embed ELKLAN principles across school</p> <ul style="list-style-type: none"> • Continued training from the in-house trainers. 	<p>EEF Teaching and Learning Toolkit illustrates that Oral language interventions have significant impact on learning, in addition to quality of spoken language improvements</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/oral-language-interventions</p> <p>Vast majority of pupils in school are EAL</p> <p>Analysis of reading comprehension shows 'words in context' is a weak area across school</p>	1,3
<p>CPD for teaching staff:</p> <ul style="list-style-type: none"> • Personal development (National College) • Lesson Study • Long term memory 	<p>Teaching in school is effective but good practice needs to be shared. QFT evidenced as highest impact approach by EEF. The EEF's report states: <i>"The effects of high-quality teaching are especially significant for pupils from disadvantaged backgrounds; over a school year, these pupils gain 1.5 years' worth of learning with very effective teachers, compared with 0.5 years with poorly performing teachers"</i></p>	1,3
<p>Strengthen Leadership: Phase leader roles to support QFT in all phases</p> <ul style="list-style-type: none"> • Leadership time for all Phase Leaders • Joint monitoring with SLT • Coaching CPD for all leadership team 	<p>One of the key principles of the EEF's PP Guide [2019] is that 'Quality teaching helps every child'. It states that <i>'Good teaching is the most important lever schools have to improve outcomes for disadvantaged pupils. Using the PP to improve teaching quality benefits all pupils and has a particularly positive effect on PP children.'</i></p> <p>The Lambeth research project identifies that strong leadership is a key factor in narrowing the gap. (Narrowing the achievement gap- Good practice in schools- 2015)</p>	3

<p>Pupil Progress Meetings</p> <ul style="list-style-type: none"> • Termly meeting with assessment / Maths and English leaders • Termly RAP's / provision mapping 	<p>National College research 'Closing the gaps for groups of pupils: a primary leadership perspective' (2012) identified that where systems were in place to track individual and group performance, to identify underperformance and potential trends, the gap between groups closed.</p>	<p>3</p>
<p>Effective deployment of ETA's: ETA's have target pupils / groups in Reading, Writing and Maths lessons and have daily timetabled planning time with teachers</p>	<p>EEF research states that <i>'Targeted deployment, where teaching assistants are trained to deliver an intervention to small groups or individuals has a higher impact, whereas deployment of teaching assistants in everyday classroom environments has not been shown to have a positive impact on learner outcomes.'</i></p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/teaching-assistant-interventions</p>	<p>1,2,3</p>
<p>CPD for non-teaching staff:</p> <ul style="list-style-type: none"> • Personal development (National College) • Peer observations 	<p>Research shows that quality professional development for ETA's has a greater impact on pupil outcomes <i>'Access to high quality teaching is the most important lever schools have to improve outcomes for their pupils. It is particularly important to ensure that when pupils are receiving support from a teaching assistant, this supplements teaching but does not reduce the amount of high-quality interactions they have with their classroom teacher both in and out-of-class.'</i></p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/teaching-assistant-interventions</p>	<p>1,2,3</p>
<p>Develop Metacognitive and Self-regulatory strategies</p> <ul style="list-style-type: none"> • CPD • Implementing in QFT • Low stake quizzes • Visual resources 	<p>EEF identifies Metacognition as a high impact, low cost strategy to raising attainment, <i>'The evidence indicates that explicitly teaching strategies to help plan, monitor and evaluate specific aspects of their learning can be effective.'</i></p>	<p>1,2,3</p>
<p>Implement Same Day Intervention in Maths in KS1 and 2.</p>	<p>Evidence suggests (EEF) that where SDI is implemented effectively, pupils make progress in maths.</p> <p>This approach has been implemented in school for 4 years and pupil outcomes in maths have increased and improvements have been sustained. (Ave SS in 2017 was 100, increased to 107.3 in 2018 and this was maintained in 2019- 107.0)</p> <p>https://educationendowmentfoundation.org.uk/projects-and-evaluation/projects/same-day-intervention</p> <p>SDI provides instant feedback to pupils which is shown to have +6 months progress. https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/feedback</p>	<p>3</p>
<p>Curriculum Maestro:</p> <ul style="list-style-type: none"> • Curriculum is broad and balanced • Curriculum review in all subjects • Progression documents in place <p>(See Wider Strategies- Inspiration & Aspiration)</p>	<p>Research by Lambeth LA identified that an inclusive curriculum that meets the needs of disadvantaged pupils is one factor in narrowing the gap for disadvantaged pupils (Narrowing the achievement gap- Good practice in schools- 2015)</p>	<p>3,5</p>

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £39,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Additional ETA in target classes: <ul style="list-style-type: none"> • in Reading, Writing and maths. • Targeting pupils who are underachieving based on PPMs • Small group intervention 	EEF Toolkit, identifies that small group tuition has on average an impact of 4 months' additional progress over the course of a year. https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/small-group-tuition Evidence shows that having the best teachers teaching intervention has the best progress (Narrowing the achievement gap- Good practice in schools- 2015)	1,3,
After school booster groups <ul style="list-style-type: none"> • in Reading, Phonics and maths. • Delivered by class teachers • Targeting pupils who are underachieving based on PPMs 		1,3,
Reading Eggs- Reading interventions for small groups		1,3
Project Code X- Reading interventions for small groups		1,3
Precision teaching- Mixed age classes Whole class strategy to develop long term memory, improve the young person's accuracy, fluency and retention of skills.	Recommended by Educational Psychologists for supporting pupils with retention difficulties	1,3
Quality ICT support and intervention material for pupils to use at home and in school <ul style="list-style-type: none"> • Accelerated reader • Reading Eggs • TT Rockstars 	Carefully selected ICT materials used can raise attainment when they meet the recommendations from EEF- 'Selecting Interventions'	1,3

See also Action Plan for National Tutoring Programme

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £21,692

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Establish an Attendance team</p> <ul style="list-style-type: none"> • Senior leader to lead • Safeguarding Officer to have responsibility for attendance monitoring • Pastoral manager to support with vulnerable families • Celebrations for good / improved attendance 	<p>The EEF Guide to Supporting School Planning: A tiered approach to 2020-2021 states for tier 3: <i>‘Wider strategies relate to the most significant non-academic barriers to success in school, including attendance...’</i></p> <p>Punctuality is a key area of focus for a number of our disadvantaged families</p>	4
<p>Whole school approach to well-being</p> <ul style="list-style-type: none"> • Mentally Healthy School Award- strive for Silver • Introduce Zones of Regulation (ZoR) across school • Embed ZoR 	<p>‘Social and emotional learning approaches have a positive impact, on average, of 4 months’ additional progress in academic outcomes over the course of an academic year.....Being able to effectively manage emotions will be beneficial to children and young people even if it does not translate to reading or maths scores.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning</p>	2
<p>Behaviour & Well-being interventions</p> <ul style="list-style-type: none"> • Employment of a Pastoral Manager • Using assessment (Boxall) to identify needs and target interventions accordingly • Interventions including Draw and Talk • Working with Trailblazers, offering individual pupil support 	<p>EEF research shows that both targeted interventions and universal approaches have positive overall effects (+ 4 months).</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/behaviour-interventions</p> <p><i>‘Given the loss of routine, along with the potential for adverse experience during partial school closures, attention on supporting pupils’ social, emotional and behavioural needs ...is likely to prove an effective strategy to support learning.’</i> (EEF Guide to Supporting School Planning: A tiered approach to 2020-2021)</p>	2
<p>Parental engagement</p> <p>Pastoral manager to establish:</p> <ul style="list-style-type: none"> • Parent questionnaire • Informal meetings with class teachers • Parent courses • Coffee mornings • Homework clubs with parents 	<p>Research identifies that parental engagement has a positive impact on average of 4 months’ additional progress</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/parental-engagement</p>	6

<p>Enrichment/ Inspiration</p> <ul style="list-style-type: none"> • Enhance pupil's cultural capital • Adventurous / outside learning • Reduced costs for disadvantaged pupils 	<p>Overall, studies show that enrichment activities can improve pupil's physical and mental well-being. It has also shown to improve attendance rates. Some pupils do not have varied life experiences, and carefully planned activities, helps to close the gap for disadvantaged pupils.</p>	5
<p>Extra-curricular Opportunities</p> <ul style="list-style-type: none"> • Free / subsidised enrichment clubs 	<p>WHO research shows clear links between regular physical activity and academic achievement. (WHO Umbrella Review) Some pupils do not access sporting activities outside of the school day.</p>	5
<p>Offering pupils struggling with punctuality a place at the school Breakfast club</p> <p>Breakfast / snacks provided for pupils who miss breakfast</p>	<p>A number of disadvantaged pupils are consistently late attending school. EEF research identifies that attending a breakfast club can improve pupil's progress in school, especially in Y2 and can have an improvement in behaviour (Magic Breakfast) https://educationendowmentfoundation.org.uk/projects-and-evaluation/projects/magic-breakfast</p>	4
<p>Pupil Voice/leadership</p> <ul style="list-style-type: none"> • School council • Prefects • Sports leaders 	<p>Various studies have confirmed the benefits of pupil voice: increased pupil engagement, improved relationship between pupils and teachers, better communication between pupils and the school, and providing the right conditions for the school community to become a learning community (Mitra, 2001; Rudduck et al., 2003).</p>	1,2,5

Total budgeted cost	£117,692
